Assumptions and exclusions

The quote assumes safe access and no asbestos. It includes full renewal of the rear valley to provide a practical warranty, although local repairs may be technically possible. Painting includes all family-room walls for colour consistency. Hidden structural damage, engineering, council permits, hazardous materials and contents replacement are excluded.

Programme

Estimated duration	12 to 15 working days after approval and materials
Commencement	Subject to insurer authorisation and weather
Warranty	Six years workmanship where applicable; manufacturer warranties for products

Commercial terms

Progress claims: 10% mobilisation, 40% after roof works, 35% after internal linings, 15% at completion. Variations require written approval. This quotation is not an admission of insurance coverage and may contain maintenance or betterment work.
